

## HN-900 Mobile X-ray Unit (50mA)

### Features

Shock-proof, fixed anode, whole-rectified, composed head and have both remote control and handle control, dependable brake, stable performance, easy operation, graceful model and easy movement.

### Specifications

<b>Power supply:</b>	220V, 50Hz, 4kVA
<b>Power Output:</b>	3KW
<b>Tube voltage:</b>	40~90kVp
<b>Tube current:</b>	15mA (50kV~90kV) 30mA (50kV~90kV) 50mA (40kV~80kV)
<b>Exposure time:</b>	0.1~6.3s (15mA, 30mA) 0.1~1.5s (50mA)
<b>Operation Method:</b>	Wireless/ Wire control
<b>Safety type:</b>	Type B Class I
