

HN-900 Mobile X-ray Unit(50mA)

Features

Shock-proof, fixed anode, whole-rectified, composed head and have both remote control and handle control, dependable brake, stable performance, easy operation, graceful model and easy movement.

Specifications

Power supply:	220V, 50Hz, 4kVA
Power Output:	3KW
Tube voltage:	40~90kVp
Tube current:	15mA (50kV~90kV) 30mA (50kV~90kV) 50mA (40kV~80kV)
Exposure time:	0.1~6.3s (15mA, 30mA) 0.1~1.5s (50mA)
Operation Method:	Wireless/ Wire control
Safety type:	Type B Class I
